

## Acceptable Reasons for Dismissing a Scholar

- **Continual Late Tuition**
- **Consistently Late Pick-Up**
- **Inability to accommodate scholar's needs:** While we make every effort to cater to the physical and developmental requirements of all scholars under our care, there may be instances where it becomes challenging to fully address the needs of a specific scholar. This determination will be reached only after exhaustively attempting to accommodate them to the best of our abilities.
- **Disruptive Behavior:** In cases where a parent excessively interferes, consistently dictates how tasks should be performed by the owner or staff, and engages in negative commentary about the business in person or online, or indulges in verbal abuse directed at scholars, staff, or the owner, such behavior will be considered as grounds for the immediate termination of a scholar's enrollment. Ensuring the safety and well-being of our scholars and staff remains our utmost priority.
- Scholars are required to arrive at school no later than 8:00 a.m. to partake in breakfast. The latest time for scholars to be admitted in the morning is 9:00 a.m.
